GUARDIANS OF GREAT STUDENTS

Learning

for

Life

To the parents and guardians of McCollough-Unis,

We invite you to attend the Guardians of Great Students informational meeting in the McCollough-Unis cafeteria on November 1, 2017 from 6:00-7:00 PM. Pizza and light refreshments will be provided.

The Guardians of Great Students program is designed to focus on education and safety in schools by using the positive influence of parents and guardians. By being visible in the building, students are given additional positive and active role models, and community ties are strengthened.

By agreeing to participate in this program, we ask that parents and guardians spend at least one day of the school year at McCollough-Unis volunteering their time. Working with educators and administrators in the building, volunteers will have many opportunities for involvement such as:

- shadowing your student patrolling the school campus
- assisting with the unloading and loading of buses
- reading and working with the students in classrooms
- eating lunch with the students
- working in the library
- assisting with maintenance issues
- sharing about their careers

Guardians of Great Students volunteers will be welcome at McCollough-Unis and we will strive to make the school an inviting place for all. In turn, we ask that volunteers keep an open mind about participating in this program and making a difference in the lives of our students here at McCollough-Unis.
