

Unis Middle School

6th Grade Orientation

9:00 am - 12:00 pm
Wednesday, August 22

The purpose of this orientation is to make the transition from elementary school to middle school a positive one. Current 8th graders will be serving as leaders and mentors, helping to welcome and support our newest Aviators.

Students will take part in large and small group activities designed to build confidence and connections, and provide them with the information necessary for a successful school year, 6th grade and beyond!

This is a student-only function so we encourage you to let your child attend on her or his own. Because this day is active, please wear comfortable clothing and leave purses, backpacks, and other items at home.

Please feel free to attend the PARENT MEETING that morning:

We look forward to meeting you and your student on orientation day!
