

# UNIS HELPS THE HOMELESS

**Help purchase items on your grade level list.**

**Student Council will use the items to assemble**

**Care Kits to be distributed directly to the homeless**

**and homeless shelters in the Metro Detroit area.**

**Our Goal: All students should try to purchase 5 items on their grade level list.**

Most items can be purchased at a Dollar Tree for \$1.25 each. For students who would rather donate money to the homeless, the money will be used to purchase items needed from the list.

\$15 donations will be used to buy emergency blankets (pack of 12).  
1 pack of blankets will help 12 people stay warm this winter.  
Thanks For Caring 😊
